Camp Marshall Equestrian Team

Open enrollment throughout the year. Team Cost \$100.00. Our Equestrian Team is an opportunity that provides additional riding and learning experiences outside of regular riding lessons for our current students. The goal for our team is to create a group of young horse enthusiasts and well-rounded horse people by utilizing the knowledge of our Camp Marshall coaches. Team members will meet once a month to plan upcoming events, meet with instructors, and have a 1-hour information/learning class. The team is an option for any Camp Marshall riders or other students who ride with our current instructors. Team members are able to travel to other farms for horse shows, clinics or events.
